

Statement of: Eric Weber

Candidate for: Councilmember

Age: 39

Occupation: Police Detective

21 For 21 years I have had the honor of serving my country and community in the <sup>1</sup>US <sup>1</sup>Navy, as a <sup>1</sup>Police 20  
16 <sup>1</sup>Officer, and as your <sup>1</sup>Councilmember. I possess as Bachelors degree in Criminal Justice and a Masters 15  
15 degree in Organizational Leadership. I have lived in San Dimas for 15 years, raised my children here for 17  
14 8, and served as your elected representative in District 1 for the last 4. 14  
18 My time in San Dimas has reinforced why I chose to call this community home. In recent years many 18  
16 communities like us have lost their character due to failed policy from Sacramento and restrictive court 16  
15 rulings. These have increased the prevalence of crime and homelessness and stripped cities of their 15  
16 local control. I will continue to defend our character, prioritize public safety, and advocate for common 15  
18 sense approaches to reduce the impact of these issues and increase quality of life for our businesses and 18  
17 residents alike. I will remain dedicated to seeking out ways in which we can increase efficiency and 17  
16 foster responsible economic growth to ensure a stable financial future for San Dimas. I humbly ask for 16  
12 your vote so I may continue to serve you as your Councilmember. 12
